

SIT DOWN IF YOU WANT TO END POVERTY

One third of humanity is struggling to stay well, keep their children alive and work their way to a better future – all for the want of a toilet.

Make sure everyone has a toilet by 2030.

WHERE DO YOU GO TO THE TOILET?

One billion people have no choice but to walk out into the street or fields, and find somewhere to squat.

Make sure everyone has a toilet by 2030.

NO HIDING PLACE

We can't avert our eyes from the danger, disease and indignity caused by a lack of toilets for one in three of the world's population.

Make sure everyone has a toilet by 2030.
